You are FULLY responsible for final approval of this artwork and confirm all information on this document to be correct including product type, size, quantities, all colours, spelling, grammar, phone numbers, overall design and layout of logos. No two printers print colour exactly the same due to different ink and profiles being used, colours printed across different formats will also not match due to the way light is reflected. (The same colour printed on paper/fabric/vinyl WILL differ), for this reason we MUST be supplied with PANTONE SOLID matched colours. Any designs supplied in CMYK/RGB CANNOT be matched at all and will be printed as is. Designs printed in CMYK/RGB WILL NOT match across different products due to different fabrics being used. We will not be held liable for any discrepancy once this draft has been approved. Any additional costs incurred to fix any errors is the responsibility of the signee. Visual representation only, finished product may vary and will not be exactly the same.
